Language Learning Strategies

- Imitate the way native speakers talk
- Listen for key words that seem to carry the bulk of the meaning
- Break the word into parts that I can identify
- Go over new words often when I first learn them

Culture Learning Strategies

- Look at how the culture could view things differently
- Keep a journal about my experiences
- Ask friends in my host country to explain meanings/gestures
- Try to stay connected with friends I made while studying abroad.

Things to Do Before Departure

- Check important dates / deadlines
- Applications!
- Contact my bank
- Unlock my cell phone for overseas use
- Keep important documents together
- Gather only the essentials
- Bring a power bank
