

"What a Waste!": Japanese and American College Students Perceptions on Food Waste and Its Environmental Impacts

Hello! Our names are Alyssa Powell and Judy Kim, both seniors at California State University Monterey Bay (CSUMB). For our senior capstone research, we are conducting a survey related to university students' perceptions of food waste and its effects on the environment.

For this research, we will be asking some questions concerning finances and food accessibility. All responses to this survey will be strictly confidential, so please answer as honestly as possible.

Thank you in advance for your understanding and willingness to take our survey.
